

# GOVERNANCE FOUNDATION PACKAGE

## OUR EXPERTISE

We support organisations in establishing and strengthening their governance framework by building regulatory awareness, developing essential core policies, and preparing for audits and inspections. Our approach includes practical guidance on regulatory requirements, mock inspection exercises to test readiness, and structured audit preparation to ensure systems, documentation, and processes meet expected standards

## THE RIGHT FIT

This package is suitable for individuals, small to mid-sized healthcare providers

**DEVELOPMENT OF BASIC  
REGULATORY AWARENESS**

**MOCK INSPECTION  
PREPARATION**

**DEVELOPMENT OF KEY CORE  
POLICIES**

**AUDIT PREPARATION**
